### **CSC FEE STRUCTURE:**

***Fast Track Option*** - \$550.00 (This is a one-time fee. Families can join the ***Fast Track*** when the player is a junior or senior in high school.)\*\*

***Head Start Option*** - \$300.00 (This is a one-time fee. Families can choose the ***Head Start*** option when the player is a sophomore in high school if she's planning on starting her college search at that time. If the family wishes to continue with CSC when the player reaches her junior year, they will pay an extra \$300.00 to complete the ***Fast Track*** signup at that time. That fee will cover her remaining two years in high school.)\*\*

***Basic Connection*** - \$130.00\* (This is a one-time fee. Families can join the ***Basic Connection*** any time during/after the player's freshman year in high school. If a family later upgrades to the ***Head Start*** or ***Fast Track*** option, \$100 of this fee will be credited to that upgrade.)

If you have questions about CSC's fee/payment structure, please call 415-456-6449.

\*For team registrations of 5 players or more, the ***Basic Connection*** fee drops to \$100.00

### **\*\* CSC's EXPANDED FAST TRACK/HEAD START SERVICE**

For ***Fast Track*** or ***Head Start*** clients who you find you're just too busy to get everything done in a "timely manner"—e.g., when you're supposed to—I may be able to help. Once the player has completed and returned her CSC Player Profile as a sophomore, junior or senior, I will email her a school printout that tells her which colleges are getting her CSC Profile and suggests schools she may want to investigate, write, etc. I will also send her CSC Profile to the colleges indicated on her printout. (This is all part of the regular ***Fast Track*** or ***Head Start*** service.)

At this point, it is normally the family's job to create a packet for mailing and to get those in the (snail) mail prior to the start of summer travel ball (or ASAP for late-starting seniors.) However, for an additional fee, I will personally create the player's resume or profile (you'll decide which you prefer) as well as her letter of introduction.

The player/family will approve her resume and the letter, send me a list of the schools/coaches she wants to contact, and I will then set up 2 files for them. One will contain her resume/profile, and the other will contain personalized letters of introduction to the coaches she's writing.

When the player is ready to do her mailing, I'll email these files to the family in either MS Word or PDF format, and all they will have to do is print them out, put them in envelopes (with an unofficial copy of her transcript), address, and mail. (In addition, I will send them an Excel spreadsheet containing address/contact information for all the colleges in the CSC database. This can be used to create labels or address envelopes.)

The fee for this snail mail setup is \$450.

If you have questions about this helpful option, please email or call me. 415-456-6449 or [cat@fastpitchrecruiting.com](mailto:cat@fastpitchrecruiting.com).

Please note: This expanded service is designed to help those parents who want to be sure their player's information is well-presented and goes out on time and for parents who find themselves unable to meet the suggested mailing deadlines due to other family commitments. If you're comfortable doing your packets yourself, that's terrific too!
