What Is Collegiate Softball Connection?

CSC is the consulting service run by Catharine Aradi, noted recruiting expert and author of *Preparing to Play Softball at the Collegiate Level*, called "...the Bible of Fastpitch Recruiting..." by youth coaches everywhere.

Named one of the ten most influential people in USA softball, Cathi has worked with families and colleges for over twenty years, and many college coaches consider her to be one of the best recruiting resources in the nation!

Through her book and her consulting work, she has helped thousands of college-bound players achieve their softball dreams.

CSC offers "conciierge recruiting." The *player* needs to be in charge of her college search (with her parents' help!) But having an experienced guide through this process can ensure you succeed where others fail. *You* can beat the odds and be a winner in the recruiting game!

Recruiting Realities That May Shape Your College Search

75% of all 4-year college teams are D-II, D-III or NAIA.
Only about 55% of players will receive athletic based aid.
90% of all 4-year colleges are located east of Colorado.

Why Make CSC A Partner in Your College Search?

To find the school that's right for you, you must first determine what you want from your collegiate experience. To be the one out of twenty players who makes a college team, you need to understand how and where coaches recruit. Neither multi-sport, corporate recruiting sites, nor expensive camps provide you with the information you need to do both of these things.

The recruiting process can be confusing, and it often seems unfair.

Being thoroughly educated about recruiting and prepared to handle the unexpected is the best way to stay a step ahead of the competition.

Families new to recruiting often feel overwhelmed and don't know what to do or where to go next. With CSC, you have someone available to answer your questions, to point you in the right direction, and to keep you moving forward toward your collegiate goals.

Here's What Parents Say About CSC...

"...Cathi was very professional, but at the same time warm enough to make us feel comfortable and confident. I would gladly recommend her to anybody who's going through this process.

The Palmegianis,
Daughter playing at a D-I college

"For families spending so much time, energy, and money on softball, I can't think of a better investment than working with Cathi. She's the BEST!"

Rob Siltanen
Daughter playing at a D-III college

"Understanding the recruiting process is a very difficult task, especially if you listen to other parents and (unfortunately, sometimes) coaches. Having Cathi as a resource was instrumental to my daughter playing DI softball."

Arman P. Medina

What Can CSC Do for Your Athlete?

With both CSC options, you receive a copy of **Preparing to Play Softball at the Collegiate Level**. This book takes your family step by step through the college search and covers everything from NCAA/NAIA academic and recruiting guidelines to how and when to contact coaches, what to include in your skills video, how to find financial aid, and much, much more.

With the **Fast Track** (\$550) option, Cathi tracks your college search and is available to answer your questions and help resolve recruiting issues from start to finish. She'll also suggest colleges that may meet your academic and athletic goals.

Fast Track clients complete a profile that introduces you to CSC colleges. (These include team at all levels of competition--D-I, II, III, and NAIA.) CSC college coaches also receive updates on your current status—GPA/SAT, travel team, schedule, etc., as well as your skills video and contact information.

The **Fast Track** option can be started as a junior or senior. You can also join the program as a sophomore through CSC's **Head Start** option. (Please email or call CSC for a cost breakdown.)

CSC's **Basic Connection** (\$130) offers an inexpensive way for families to get their player's name in front of a variety of college coaches. Choose this option, and Cathi will include your player information in the monthly CSC player update she sends her colleges. Families can sign up for the **Basic Connection** when the player is a freshman in high school, and they have the option of upgrading to the **Head Start** or **Fast Track** at a later date!

Team Memberships - CSC works with travel teams in several ways, including offering **Basic Connection** signups at a discounted rate and serving as a recruiting resource for team or organization staff members.

For information on all CSC services—including fees—or to sign up, please email info@fastpitchrecruiting.com or call 415-456-6449.

90-95% of CSC clients go on to play in college. However, CSC cannot guarantee athletic scholarships.

"Parents pay for a pitching coach, a hitting coach, a travel coach, a conditioning coach, and a tutor. Don't shy away from paying for a recruiting coach because that may be the one coach your daughter needs the most!!!"
