Employment (salaried or volunteer) of Division I softball personnel at a private camp is limited to periods when evaluation of nonscholastic practice and competition activities is permissible. Therefore, Division I softball personnel may work noninstitutional camps conducted during the contact (green) or all event (purple) evaluation periods. Additionally, during the contact (green) or all event (purple) evaluation periods, institutional camps may be conducted at locations other than the institution's campus or institution's normal practice and competition facilities. During the scholastic events only (blue) and quiet period (orange) Division I softball personnel are NOT permitted to be employed at noninstitutional camps. Additionally, during these periods, Division I institutional camps and clinics may occur only on an institution's campus or at a facility regular used by the institution for practice and competition and Division I softball personnel may be employed at any institution's camp held on an institution's campus or facility regularly used by the institution for practice and competition.
