

# ATTN: JUNIORS & SOPHOMORES

*You still have time to find **your** best college fit, but the clock is ticking and your time might run out!*

*Think about it. You pay thousands of dollars every year for travel ball, you have a private hitting coach, a private pitching coach...so*

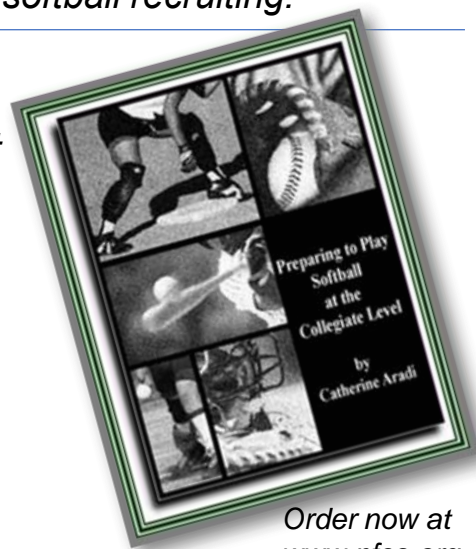

***Why Not An Experienced Recruiting Coach?***

*Good news! Nationally recognized recruiting consultant **Catharine Aradi** is still accepting **2019** and **2020** clients!*

*Over the past 25 years, Cathi has worked with over 3000 student athletes, helping over 95% of those who were serious about playing softball find collegiate homes.*

*She works directly with 400-500 colleges every year, and she literally "wrote the book" on college softball recruiting.*

*Let **Cathi** evaluate your academics, your interests and your skills video and suggest a comprehensive list of colleges (and teams) one of which just might be your dream school!*
