What Is Collegiate Softball Connection?

CSC is the consulting service run by Catharine Aradi, noted recruiting expert and author of *Preparing to Play Softball at the Collegiate Level*, called "...the Bible of Fastpitch Recruiting..." by youth coaches everywhere.

Cathi has worked with families and colleges for over twenty-five years, and many college coaches consider her to be one of the best recruiting resources available to families!

Through her book and her consulting work, she has helped thousands of college-bound players achieve their softball dreams.

Recruiting is extremely competitive, and every player should be in charge of her college search. But having an experienced guide can ensure you succeed where others fail. You can beat the odds and win the recruiting game!

Recruiting Realities That May Shape Your College Search

75% of all 4-year college teams are D-II, D-III or NAIA.
Only 50- 55% of players will receive any athletic based aid.
90% of all 4-year colleges are located east of Colorado.

Why Make CSC A Partner in Your College Search?

The recruiting process can be confusing, and it often appears unfair. Being educated about recruiting and prepared to handle the unexpected is the very best way to stay a step ahead of the competition.

To find the school that's right for you, you must first determine what you want from your collegiate experience. Then, you need to understand how and where coaches recruit.

Don't be misled by corporate recruiting site or expensive camps that promise you'll be recruited simply because you pay their fees.

With CSC, you always have someone there to answer your specific college search or recruiting questions, to point you in the right direction, and to keep you moving forward toward your collegiate goals.

"Parents pay for a pitching coach, a hitting coach, a travel coach, a conditioning coach and a tutor. Don't shy away from paying for a recruiting coach because that may be the one coach your daughter needs the most!!!" CSC Alumnus

What Parents Say About CSC

"We were fortunate enough to have worked with Cathi for almost three years. Her knowledge of how college softball recruiting was right every step of the way. Following her guidelines was instrumental in our daughter getting recruited by a number of schools. Some friends on our teams with good players decided to go it alone and ended up frustrated at the lack of recruiting they experienced."
The Block Family, Alamo, CA

"Cathi Aradi is the #1 resource for softball recruiting. She literally wrote the book which other recruiting services cite from. Do what she says and your daughter will find a place to play in college."
The Egbert Family, Hillsborough, CA

"Without a doubt CSC is the best value in softball recruiting to be found anywhere! Cathi provides a clear, individualized approach from beginning to end. I wholeheartedly recommend Cathi and CSC."
The Avery Family, Alameda, CA

"Cathi was a Godsend for our daughter. With Cathi's guidance, our player had 6 offers in her senior year. We highly recommend her services!"
The Tosh Family, Fremont, CA

What Can CSC Do for Your Athlete?

All CSC families receive a copy of ***Preparing to Play Softball at the Collegiate Level***. This book takes you through the college search covering everything from NCAA/NAIA academic and recruiting guidelines to how and when to contact coaches, what to include in your skills video, how to find financial aid, and much, much more.

Juniors and seniors sign up for the ***Fast Track*** program (\$650*). Early-starting sophomores go into the ***Head Start*** component of the ***Fast Track*** program (\$450*). The family then pays the balance of the ***Fast Track*** fee (\$200) when the player is a junior. (*A payment plan is available.)

Head Start/Fast Track clients complete a profile that introduces you to CSC colleges. These include programs at all levels of competition--ranked D-I, II, III and NAIA teams. Your profile, video link and other information will be available to over 500 coaches. These coaches receive monthly updates about your current travel ball schedule, changes in your academic and/or athletic status, and so on.

Cathi tracks your college search and is available to answer questions and help you resolve recruiting issues from start to finish. She will also suggest the types of colleges that may meet your academic *and* your athletic goals, and she provides regular guidance and support through every step of the process.

CSC's ***Basic Connection*** (\$150 per player when signing up to 5 team members/\$130 per player when signing up 6+) offers a low-cost way for travel teams to get players' names in front of college coaches. Players in the ***Basic Connection*** plan can upgrade to the ***Fast Track*** (at a discount) at a later date!

All CSC families/teams receive regular email updates designed to educate, motivate, and keep them on schedule during their college search!

Team Memberships For specific information on how CSC works with travel teams and their staff members, call CSC.

To order ***Preparing to Play Softball at the Collegiate Level***, go to www.fastpitchrecruiting.com/book.html. Great discounts are available on bulk purchases.

90-95% of CSC clients go on to play in college. However, CSC cannot guarantee athletic scholarships.

Talk Is Cheap...Good Advice Is Priceless!

You'll hear lots of stories about recruiting, but how do you separate fact from fiction? Simple! Call Collegiate Softball Connection! For \$30, you can schedule a 30 to 40-minute call to discuss recruiting-related issues or questions that your family has.
