What Is Collegiate Softball Connection?

CSC is the consulting service run by Catharine Aradi, noted recruiting expert and author of *Preparing to Play Softball at the Collegiate Level***, called "...the Bible of Fastpitch Recruiting..." by youth coaches everywhere.

Cathi has worked with families and colleges for over twenty-five years, and many college coaches consider her to be one of the best recruiting resources available to families!

Through her book and her consulting work, she has helped thousands of college-bound players achieve their softball dreams.

Recruiting is extremely competitive, and every player should be in charge of her college search. But having an experienced guide can ensure you succeed where others fail. You can beat the odds and win the recruiting game!

Recruiting Realities That May Shape Your College Search

75% of all 4-year college teams are D-II, D-III or NAIA.
Only 50- 55% of players will receive any athletic based aid.
90% of all 4-year colleges are located east of Colorado.

Why Make CSC A Partner in Your College Search?

The recruiting process can be confusing, and it often appears unfair. Being educated about recruiting and prepared to handle the unexpected is the very best way to stay a step ahead of the competition.

To find the school that's right for you, you must first determine what you want from your collegiate experience. Then, you need to understand how and where coaches recruit.

Don't be misled by corporate recruiting sites or expensive camps that promise you'll be recruited simply because you pay their fees.

With CSC, you always have someone there to answer your specific college search or recruiting questions, to point you in the right direction, and to keep you moving forward toward your collegiate goals.

"Parents pay for a pitching coach, a hitting coach, a travel coach, a conditioning coach and a tutor. Don't shy away from paying for a recruiting coach because that may be the one coach your daughter needs the most!!!" CSC Alumnus

What Parents Say About CSC

"We were fortunate enough to have worked with Cathi for almost three years. Her knowledge of how college softball recruiting was right every step of the way. Following her guidelines was instrumental in our daughter getting recruited by a number of schools. Some friends on our teams with good players decided to go it alone and ended up frustrated at the lack of recruiting they experienced."
The Block Family, Alamo, CA

*"Cathi Aradi is the #1 resource for softball recruiting. She literally wrote the book which other recruiting services cite from. Do what she says and your daughter **will** find a place to play in college."*
The Egbert Family, Hillsborough, CA

"Without a doubt CSC is the best value in softball recruiting to be found anywhere! Cathi provides a clear, individualized approach from beginning to end. I wholeheartedly recommend Cathi and CSC."
The Avery Family, Alameda, CA

"Cathi was a Godsend for our daughter. With Cathi's guidance, our player had 6 offers in her senior year. We highly recommend her services!"
The Tosh Family, Fremont, CA
